

**how-to project: cross stitch halloween cupcake picks**

*designed by Dimensions Design Team*

**MATERIALS**

Designs stitched on 4" x 4" piece of 14 count clear plastic canvas.

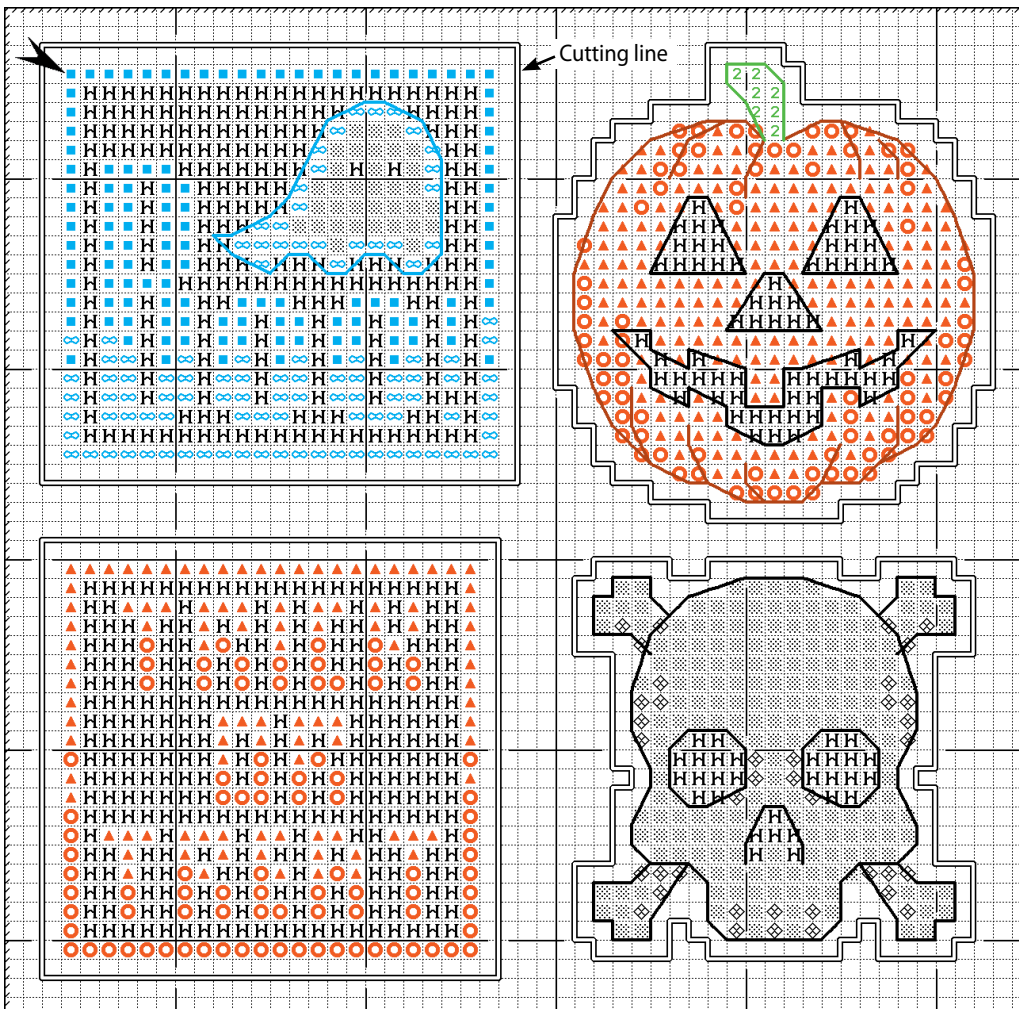

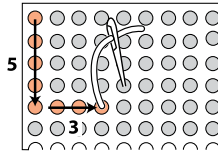

**FINISHED MEASUREMENTS**

Stitched area of each design measures approximately 1-1/2" x 1-1/2".

**DIRECTIONS**

**FIRST STITCH**

Starting in the top left corner, count 5 canvas holes down, then 3 holes to the right. This hole is where you will begin stitching; it matches the symbol marked with an arrow on the chart.
