#### FINISHING

Weave in ends.

Make 6 pom-pom and tassel units as follows:

#### Pom-pom (make 6):

Using largest ring on Boye® PomPom Maker, make pom-pom according to instructions. If you don't have a pom-pom maker, wrap yarn around 1.25" [3 cm] high piece of cardboard approximately 30 times. Thread yarn needle with 8" [20.5 cm] piece of yarn. Insert needle between cardboard and yarn wraps at top edge. Tie yarn tightly around all wraps. Cut wraps at opposite edge to form pom-pom. Shake pom-pom to distribute yarn evenly. Trim ends as needed.

#### Tassel (make 6):

Wrap yarn around cardboard 15 times. Slide a 15" [40 cm] piece of yarn under the wrapped yarn and tie a knot at the top leaving long tails to attach tassel to pom-pom and scarf. Cut lower edge of wrapped yarn to free ends. Wind a second piece of yarn around the tassel two or three times about 1" [2.5 cm] below the top. Knot tightly. Thread tails onto yarn needle and push to inside of tassel. Trim ends to make even.

Tread tassel tails onto yarn needle and then insert into the center of the pom-pom to form unit.

Attach three pom-pom and tassel units evenly spaced onto each end of scarf. Weave in remaining tails.
