SPECIAL STITCHES

- **FLAT PANEL BIND OFF**
 - ♦ **Step 1:** E-wrap and knit the first two stitches.
 - ♦ **Step 2:** Remove the loop from peg 2 and place it on peg 1. Knit off peg 1.
 - ♦ **Step 3:** Move the remaining loop on peg 1 back to peg 2. – One peg bound off.
 - ♦ **Step 4:** E-wrap and knit peg 3. Remove the loop from peg 3 and place it on peg 2. Knit off peg 2.
 - ♦ **Step 5:** Move the remaining loop from peg 2 back to peg 3. – two stitches are bound off.
Continue binding off each peg in the same manner until you only have one loop remaining on the loom. E-wrap this peg and knit off. Cut yarn leaving an 8 inch tail and pull through last loop to secure.
- **I-CORD**
Cast on desired number of pegs using e-wrap cast on.
*Pass working yarn behind the cast on pegs and then back to the beginning. Hold the yarn in front of the pegs without wrapping (flat stitch) and knit off each peg. Tug tube gently every few rows to set stitches. Repeat from * until I-cord is desired length. To finish, cut yarn leaving an 8" [20 cm] tail. Thread tail onto yarn needle and insert needle through each stitch. Remove loops from loom and pull to gather. Sew securely then insert remaining tail into cord and trim.

DIRECTIONS

Note: Directions for smallest basket are given first followed by medium and large size in parentheses ().

SIDES OF BASKET

E-wrap cast on all pegs. Continue to e-wrap and knit until sides measure 5" [12.5 cm] (5.5" [14 cm], 6 [15.5 cm]) when laid flat. Bind off using Flat Panel Bind Off. Cut yarn. Weave in ends. Allow cast on edge to roll to form top edge of basket.

BOTTOM OF BASKET

Cast on 2 pegs. Following directions for I-cord, coil and sew the I-cord into a circle as you knit until it is slightly smaller than the base of the sides.

FINISHING

Sew bottom to sides. Weave in all ends.
