EASY

how-to project: knitted hoodie scarf

Cut a piece of cardboard 4" [10 cm] wide and 1" [2.5 cm] longer than your desired tassel. Wrap yarn around cardboard multiple times depending on desired size. Slide a 12" [30.5 cm] piece of yarn under the wrapped yarn and tie a knot at the top leaving long tails to attach to tassel. Cut lower edge of wrapped yarn to free ends. Wind a second piece of yarn around the tassel two or three times about 1" [2.5 cm] below the top. Knot tightly. Thread tails onto yarn needle and push to inside of tassel. Trim ends to make even.

Attach one tassel to top of hood and each end of scarf.
